United Dynamics Certified to AS 9100 Revision D.

United Dynamics is proud to announce that our Quality Management System has been independently certified to AS 9100 Revision D and ISO 9001:2015. We are the only electronic and electro-mechanical product supplier in the State of Oklahoma to be certified to the new aerospace standard. With a focus and commitment to on-time delivery, customer satisfaction, and risk-based thinking, United Dynamics continues to receive excellent customer ratings and accolades.
