**United Dynamics Welcomes Steven P Daniels, Director of Sales & Marketing for OEMs, Missiles & Space Programs.**

United Dynamics is pleased to announce that industry veteran Steven P Daniels has joined the company in the role of Director of Sales and Marketing, OEMs, Missiles & Space. Mr. Daniels brings more than 35 years of commercial aerospace and aviation experience in sales, marketing, and business development along with product design, manufacturing, and engineering. This includes extensive sales and marketing experience with aerospace OEMs.

A former CEO at Enstrom Helicopters and Simplex Aerospace, he has joined us after 7 years as an international executive level aerospace and aviation consultant. He will be adding his strengths and experience to the sales and business development team as the company grows within the advanced aerospace technologies market.
